

# Gun Stopper

**I never told u I was the guy I never told u I wasn't I.**

**U never told me who u r I never asked u who u might be**

**I think its time to say the truth and to everyone who needs to know and who don't and  
I ...**

Shooting and killing lam gun stopper  
I never pretended I do things proper  
U try to get me for the things I never done  
For the rockets, nades and all that crime.  
am rocking form far away I am king of the hill  
I sit on the cloud eating the red pill  
Say high how and a how I say . . this is me and that's what I do u u uuu tydyda

**Now things r set and we all know who we r and who we r not**

**No hard feelings for all your friends that I randomly shot**

**I still like u but em ready all the time to rip through u again so u can make my day and  
I say hey ...**

Shooting and killing lam gun stopper  
I never pretended I do things proper  
U try to get me for the things I never done  
For the rockets, nades and all that crime.  
am rocking form far away I am king of the hill
