

Liar liar

I am always on the game
My plans always change
Nothing can stop me
That's my middle name
I never say the truth
To them and to you
Im a liar, liar, liar

Never ashamed to tell u more lies
Liang is good dont get compromised
Everyday spreading more
Of my half trues

Give it up, give it, give it up
I am lying like newspaper
Give it up, give it, give it up
